

# You're My Reason For Living

Gene Simmons

I'm crying, I'm dying  
Deep inside I'm lying, every time I call your name  
I was lonely, so lonely  
You were always my one and only (ooh)  
It's always the same  
But it's over, it's over  
And I can't help thinking it over and over  
But you're not to blame

You're my reason for living  
You're my reason for giving  
You're my reason for living  
And I can't help this feeling...

Another day, another sorrow  
And I can't help thinking there's no tomorrow...  
Without you...  
I can't feel the pain, and that's a start  
Well the first time I saw your face  
Was the last time I saw my heart  
(Ooh)

You're my reason for living  
And I can't help this feeling...  
You're my reason for living  
And I can't stop believing...  
No, no, no (ooh)

It's over, it's over  
Well I can't help thinking it over and over and over and over  
It's always the same  
(Ooooh)

You're my reason for living  
You're my reason for giving  
You're my reason for living  
And I can't help this feeling...
