

Blow Away

George Harrison

Day turned black, sky ripped apart
Rained for a year til it dampened my heart
Cracks and leaks
The floorboards caught rot
About to go down
I had almost forgot.

All I got to do is to love you
All I got to be is, be happy
All its got to take is some warmth to make it
Blow away, blow away, blow away.

Sky cleared up, day turned to bright
Closing both eyes now the head filled with light
Hard to remember what a state I was in
Instant amnesia
Yang to the yin.

All I got to do is to love you
All I got to be is, be happy
All its got to take is some warmth to make it
Blow away, blow away, blow away.

Wind blew in, cloud was dispersed
Rainbows appearing, the pressures were burst
Breezes a-singing, now feeling good
The moment had passed
Like I knew that it should.

All I got to do is to love you
All I got to be is, be happy
All its got to take is some warmth to make it
Blow away, blow away, blow away.
