

If You Believe

George Jones

Oh, the promise of tomorrow
Will banish all your sorrow
No need to grieve
If you believe.

There will be a brighter future
And a way prepared to suit
Your every need
If you believe.

If you believe (If you believe)
So will it be
It's true for you
It's true for me.

Somewhere down that narrow road
He'll relieve your heavy load
Life's supreme reward receive
If you believe.

If your life is not inspiring
And your days are long and tiring
Rest receive
When you believe.

Nothing here on earth can measure
Up to heaven's lasting treasure
Be not deceived
Only believe.

If you believe (if you believe)
So will it be
It's true for you
It's true for me.

Somewhere down that narrow road
He'll relieve your heavy load
Life's supreme reward receive
If you believe...
