

Kiss An Angel Good Morning

George Jones

Whenever I chance to meet
Some old friend who's on the street
They wonder how does a man
Get to be this way

I've always got a smiling face
Anytime and any place
Everytime they ask me why
I just smile and say

You've got to
Kiss an angel good morning
And let her know you think about her
When you're gone
Kiss an angel good morning
And love her like the devil
When you get back home

Well people may try to guess
The secret of happiness
But some of them never learn
It's a simple thing

The secret I'm a-speaking of
Well, it's a woman and a man in love
And the answer is in this song
That I always sing

You've got to
Kiss an angel good morning
And let her know you think about her
When you're gone
Kiss an angel good morning
And love her like the devil
When you get back home

Kiss an angel good morning
And let her know you think about her
When you're gone
Kiss an angel good morning
And love her like the devil
When you get back home

Kiss an angel good morning...
