

# Peace In The Valley

George Jones

Oh well, I'm tired and so weary but I must journey on  
Till the lord comes and calls, calls me away, oh yes,  
Where the morning's so bright and the lamb is the light  
And the night is as fair as the day, oh yes.

(There will be peace in the valley for me, some day  
There will be peace in the valley for me, oh Lord I pray  
There'll be no sorrow, no sadness, no trouble, trouble I see)  
There will be peace, peace in the valley for me, someday.

Well, that old bear is goin' to be gentle  
And the wolf will be tame  
And that old lion is gonna lay down by the little lamb, (oh yes  
)  
And the beasts from the wild  
Ohh it's gonna be led by a child  
(Sang)  
I'll be changed, changed from this creature that I am,  
(Oh yes.)

There will be peace in the valley for me, some day  
There will be peace in the valley for me, oh Lord I pray  
There'll be no sadness, no sorrow  
No trouble, trouble I see  
There will be peace, in that old valley for me, someday  
There will be peace, in that old valley for me...
