

You Never Looked That Good When You Were Mine

George Jones

Well, I saw you today and I thought for a while I was dreaming.
You were the loveliest girl I'd seen in a long, long time
You introduced me to him and while we were talking
I just stood there thinking you never looked that good when you
were mine.

It was all I could do to hide all the things I was feeling.
Lord, just lookin' at you sent chills up and down my spine
I wanted so much to reach and touch you but I just stood there
dyin'
You never looked that good when you were mine.

You know hunny, I've wondered so many times if you still stayed
Out late the way we used to do. With all of our old friends,
The jukebox and all that wine.

Oh, maybe you just stay at home lovin' one another

'Cause you never looked that good when you were mine

Oh, if I knew then what I know now we'd still be together.

'Cause you never looked that good when you were mine...
