

## Spirit

## Ghost

Throw yourself  
Into the vessel  
Of possibilities

Your green muse  
The apparatus  
For soul mobility  
A gateway to secrecy

Spirit, absent  
Spirit, absent

Seven seals  
Devilish Creatures  
Trumpets the end of time

Cloven Hooves  
Anti-saint wormwood  
Catapulting your mind  
Into the jaws of death

Spirit, absent  
Spirit, absent

There's no return  
From this excursion  
Of possibilities  
You're at the seventh gate

Spirit, absent  
Spirit, absent

"Let none of this earth inherit  
This vision of my spirit"
