

I Feel Love

Paul Gilbert

Oh
It's so good, it's so good
It's so good, it's so good, it's so good
Oh
Heaven knows, heaven knows
Heaven knows, heaven knows, heaven knows
Ooh
I feel love, I feel love
I feel love, I feel love, I feel love

I feel love, I feel love

Oh
Fallin' free, fallin' free
Fallin' free, fallin' free, fallin' free
Oh
You and me, you and me
You and me, you and me, you and me
Oh
I feel love, I feel love
I feel love, I feel love, I feel love

I feel love, I feel love
