

Potato Head

Paul Gilbert

I've been watchin' the MTV
All I see are potato heads
Some dumb girl wants to be with me
I don't want your potato head

Potato head,
Potato head

Potato head,
Potato head

Yeah!

I've been flying' across the sea
All I met were potato heads
Some dumb girl wants to be with me
I don't need your potato head

Potato head,
Potato head

Potato head,
Potato head

Yeah!

Do you want some fries with that?
Do you want some fries with that?
Take her to a laundromat
Do you want some fries with that?

There's one now in a slot machine
I can't take your potato head
If I wake it'll be a dream
All I see are potato heads

Potato head,
Potato head

Potato head,
Potato head

Yeah!

Yeah, yeah. yeah yeah, ...
