

## Creator of hell

Gladiator

For the beasts I got them  
under the weight of my soul  
I sing these words  
Close your eyes  
and lava'll flood your thoughts  
clean and bum  
Wake your mind  
swastika lives again  
creators of hell  
Terrible memories. Break!,  
the gospel of your hate.

Creator of hell.  
Creator of hell.
