

Dogstime

Gladiator

Break down light, strike by wind
Order to the sunlight the glare
Cut out mid-bread, plague hungry
Cover stars and dig out a pit
All that is big destroy it in time
so hea, hea...

R: Here is the dogstime the time of hungry clamps
they just open their lips
Seen strong teeth
Wind up the dogstime
hea, hea...

Hide the moon superhuman
Wrap up a truth-almighty
All that is big destroy it in time
so hea, hea ...
