

Liar

Gladiator

Don't tell me I'm the liar
if you don't know my flavours
I don't care who you are
I am not your savior
Could you be so kind
and get out of my town
I don't want to listen to you
'cause you're dead

I do not want to feel you
Go down you never say
the truth
'cause you don't give a damn
about what I believe in
Man, now it's not time
to open the door

Now I fuck your rapture
I fuck your desires
You are just a small bug
I fuck all your prayers
I don't want to stay with you
You're the hippopotamus
Feelings walk out on you
'cause you're dead

Drops of rain fall down
on the deadly ground - yeah
There is a truth
Sounds of thunder
you can hear everywhere
Where is the green and the blue
