

Mad big pig

Gladiator

Get-a-way
from all my dirty dreams
when I wake up in dry sweat
so very I hate you
so get-a-way
Go to hell
I know you false tears
and we are not the friends
You ain't any friends
Go to hell
Mad big pig

Liar!
Ever swimming in a dirt
I had die in your crime
I see you from the sky
You're still liar
So get-a-way
from all my dirty dreams
when I'll wake up you must be
So very I hate you
Sp get-a-way
Mad big pig
