

1. Stay stay stay
and I'll give you all you say
Day day day
I say my prayers everyday
Babe babe babe
I'm crying everywhere
Hey hey hey
I don't care what people say

I'm Bad but you're my revival
don't let me be wicked all the time

R: Don't let me die
because you are the only reason I live my life
I want to kill my past
somebody knows taht it's such a totally pleasant crime
somebody knows that it's so nice.

2. Babe babe babe
brand the fire to my brain
Hey hey hey
do not wait for anothe day
Snake snake snake
Everyday I become a snake
Late late late
it's not late to stop this game

I'm Mad but you're my revival
don't let me be wicked all the time
