Sound of deep silence

Gladiator

Deeply silence
I feel in my soul of frenzy
if guns still clang. I must scream:
Jesus, why do you do it?

Children die in the bloody streets mothers fathers tormented by tears oh Jesus why do you still kick me? No! No! The neverending killing!

Sound of deep silence Fires!
Sound of deep silence

I don't know what love is but I know what hate is I just have this gun it's my being and my faith Where are you God? empty heaven, I've lost my cross no release no relience near to heaven but nearer to hell

deep silence won't stop growing
I'm desperate
murders free still fighting
neverending chains

I don't know what love is
I know death
more and more deaths
my eyes melt in blood again

deeply silence
I'm standin' at the brim
of the highest mountain
in throat I'm gulpin' blood
