I'm So Lonesome I Could Cry

Glen Campbell

Hear that lonesome whippoorwill
He sounds too blue to fly
That midnight train is whining low
I'm so lonesome I could cry

Did you ever see a night so long When time goes crawling by The moon just went behind a cloud To hide its face and cry

Did you ever see a robin weep When leaves began to die It means he's lost the will to live I'm so lonesome I could cry

The silence of a falling star Lights up a purple sky And as I wonder where you are I'm so lonesome I could cry
