When your mind's made up

Glen Hansard & Markéta Irglová

So, if you want something
And you call, call
Then'll come running
To fight, and I'll be at your door
When there's nothing worth running for

When your mind's made up
When your mind's made up
There's no point trying to change it
When your mind's made up
When your mind's made up
There's no point trying to stop it

You see, you're just like everyone When the shit falls all you want to do is run, away And hide all by yourself When you're far from me, there's nothing else

When your mind's made up
When your mind's made up
There's no point trying to change it

When your mind's made up
When your mind's made up
There's no point even talking
When your mind's made up
When your mind's made up
There's no point trying to fight it

So, if you ever want something And you call, call
Then I'll come running.
