

Cuts Both Ways

Gloria Estefan

It cuts both ways
Our love is like a knife, it cuts both ways
It's driven deep into my heart each time
That I realise how it cuts both ways
Can't be together, cannot live apart
We're heading straight into a broken heart
But I can't stop

Cos I feel too much to let you go
I'm hurting you and it's hard, I know
To stay and fight for what we got
Knowing it'll never be good enough
Cos you and I are dangerous
We want too much and life ain't that way
Don't ask for more, you'd be a fool
Haven't we already broken every rule

It cuts both ways
We're in too deep for sorry alibis
Can't have regrets or even question why
We can't say goodbye because it cuts both ways
No more illusions of the love we made
No sacrifice would ever be too great
If you would just stay

Cos I feel too much to let you go
I'm hurting you and it's hard, I know
To stay and fight for what we got
Knowing it'll never be good enough
Cos you and I are dangerous
We want too much and life ain't that way
Don't ask for more, don't be a fool
Haven't we already broken every rule

It cuts both ways
Our love is like a knife, it cuts both ways
It's driven deep into my heart each time
I see we're living a lie
And it cuts both ways
It cuts both ways
It cuts both ways
It cuts both ways
