

# Heaven's What I Feel

Gloria Estefan

Love sometimes  
Can be like destiny  
There's no way to say forever  
It may not realize your dreams  
And love sometimes  
Is like the blowing wind  
It can take us to wherever  
Sending us on silent wings

But I have broken  
All the rules of love  
I never dreamed that I could  
Come this far  
And now I'm lost in my emotions  
You're becoming my devotion  
There's nothing I can do  
To stop this love for you

I was not supposed to fall in love with you  
I have someone else  
And someone else is loving you  
And I was not supposed to let this love get through  
So let me say for real  
Heaven's what I feel when I'm with you  
This feeling is forever  
You make me feel like heaven  
My love is true when I'm with you

How could I  
Have known that in your eyes  
I would find the deepest answers  
To the questions of my heart  
And how could I have known  
That by your side  
Was the light to fill the darkness  
In the shadows of my life

But I have broken  
All the rules of love  
I never dreamed that I could  
Come this far  
And now I'm lost in my emotions  
You're becoming my devotion  
There's nothing I can do  
To stop this love for you

I was not supposed to fall in love with you  
I have someone else  
And someone else is loving you  
And I was not supposed to let this love get through  
So let me say for real  
Heaven's what I feel when I'm with you  
This feeling is forever  
You make me feel like heaven  
My love is true when I'm with you

Heaven, heaven

Is what I feel when we're together  
Heaven, heaven  
Just look in my eyes and you'll see it's the truth  
I was not supposed to fall in love with you  
I have someone else  
And someone else is loving you

And I was not supposed to let this love get through  
So let me say for real  
Heaven's what I feel  
And I was not supposed to let this love get through  
So let me say for real  
Heaven's what I feel when I'm with you
