

Here We Are

Gloria Estefan

Here we are
Face to face
We forget, time and place
Hold me now
Don't let go
Though it hurts and we both know
The time we spent together's gonna fly
And everything you do to me
Is gonna feel so right
Baby when you're loving me
I feel like I could cry
'Cause there's nothing I can do
To keep from loving you

Here we are
All alone
Trembling hearts, beating strong
Reaching out, a breathless kiss
I never thought could feel like this
I want to stop the time from passing by
I wanna close my eyes and feel
Your lips are touching mine
Baby when you're close to me
I want you more each time
And there's nothing I can do
To keep from loving you

There's nothing I can do
I'm helpless in your arms
Oh baby what you do
I'm in love, this is it
There's no turning back this time
No no no
Here we are
Once again
But this time we're only friends
Funny world
Sometimes lies
Become the game, when love's the prize
And though no one knows what's going on inside
And all the love I feel for you
Is something I should hide
When I have you close to me
The feeling's so sublime
That there's nothing I can do
To keep from loving you
