Gloria Estefan

Hotel Nacional
Dress, very chic
One, two, daiquiris
Dancin' to the Cuban beat
White pearls, teased up hair
Lipstick's red, to make 'em stare
Drama's on like Susan Lucci
It's time for Hoochie Coochie

Say goodbye to the sunlight
We own the nighttime, yeah

Two-toned shoes, favorite dress
Need no diamonds to impress
Red and white coupe Chevrolet
Paparazzi flash away
I'm feeling VIP
It's the only way to be
Going for gold like Yamaguchi
It's time for Hoochie Coochie

Say goodbye to the sunlight
We own the nighttime, yeah

Champagne, caviar, no wedding mess
You and me, no need to guess
So many nights to share
Official love affair
Voilà we're in Paris
Oui, Je t'aime, ça c'est la vie
Think "Last Tango," Bertolucci
It's time for Hoochie Coochie
