

I See Your Smile

Gloria Estefan

I, get a little tongue twisted
Every time i talk to you
When i see you
And i'm so glad that you just missed it
The way i stared to memorize your face
To kiss you in my mind
Love you all the time
'cause when i close my eyes
I still can see your smile
It's bright enough to light my life
Out of my darkest hour
Please believe it's true
When i tell you i love you

I've taken too many chances
Searching for the truth in love
That's in my heart
Tell me if i made the wrong advances
Tell me if i've made you feel ashamed
'cause i know i have to do this
Would you hold my hand right through it
'cause when i close my eyes
I still can see your smile
It's bright enough to light my life
Out of my darkest hour
Please believe it's true
When i tell you i love you

I had to let you know
Just what would happen
Yes, i had to let you know the truth
I know i've got to do this
Would you hold my hand right through it
Would you
'cause when i close my eyes
I still can see your smile
It's bright enough to light my life
Out of my
Darkest hour
Please believe it's true
When i tell you i love you
I know now this is true
When i tell you i love you
