

## Right Away

Gloria Estefan

Those eyes  
Took just one look and all that mattered disappeared  
Your smile  
It makes me feel like being no where else but here  
You can't tell me that it doesn't feel right  
Doesn't matter if it's only tonight  
What I'm feeling for you is so strong  
I think I'm gonna fall right into your arms

(When)  
Right away, right away  
Don't wanna wait

This time  
Not gonna think about what happens in the end  
I think it's fine  
To let yourself give in and not have to pretend  
That I'm not staring at your lips when you speak  
The thought of kissing them is making me weak  
We can waste a lot of time playing games  
Or you can tell me that you're feeling the same

(When)  
Right away, right away  
Don't wanna wait

Let's dance all night

Let's Dance  
What I'm feeling for you is so strong  
Let's Dance  
I think I'm gonna fall right into your arms

(When)  
Right away, right away  
Don't wanna wait
