

The Power of Love

Gloria Gaynor

The power of love is a curious thing
Make one man weep, make another man sing
Change your heart to a little white dove
More than a feeling, that's the power of love

A tub full of diamonds more precious than gold
Hard to rekindle when it grows cold
Make a bad one good, make a wrong one right
Power of love that keeps you home at night

You don't need money, don't take pain
Don't need no credit card to ride this train
Strong as the sun and it's cruel sometimes
But if might just save your life

That's the power of love
That's the power of love

First time you feel it, it might make you sad
But next time you feel it, it might make you mad
But you'll be glad, baby, when you're found
That's the power makes the world go round

You don't need money, don't take pain
Don't need no credit card to ride this train
As strong as the sun and it's cruel sometimes
But if might just save your life

They say that all in love is fair
Oh, but you don't care
But you know what to do
When it gets hold of you
And with a little help from above
You'll feel the power of love
You'll feel the power of love
Can you feel it

It don't take money, don't take pain
Don't need no credit card to ride this train
Tougher than diamonds and stronger than steel
You won't feel nothing baby, til you feel
You feel the power
Just feel the power of love
Feel the power, the power of love
Feel the power, the power
The power of love
Can you feel it
Feel the power, the power of love
