## The King Is Dead

Go West

The king is dead, no doubt about it We came a long way just to say goodbye And in the end it was some old swan song

The king is dead, you'd never know it But we got pictures of a different man He's flesh and blood, no-one knows all the answers Some days we just do the best we can

You changed my mind in a minute It breaks my heart to admit it Don't make me say

The king is dead, the show is over We came a long way, just to turn around Lesson learned, no-one knows all the answers Some days we just do the best we can

You changed my mind in a minute It breaks my heart to admit it No-one's to blame

You let me in behind the lies
But you're no use to me life size, oh
No-one's to blame, yeah

Some days we just do the best we can

You changed my mind in a minute It breaks my heart to admit it Don't make me say

The king is dead The king is dead

King is dead King is dead King is dead

. . .
