

## Right Here

Goapele

I just wanna, I just wanna be right here

Baby tell me I'm the only  
How without me you'd be lonely  
Wrap your arms around and hold me  
Cause there's no other place I'd rather be

I don't wanna go  
I don't wanna leave  
I just wanna, I just wanna be right here  
There's nothing in this world  
No face I'd rather see  
I just wanna, I just wanna be right here

There's a million things  
That I could do or say to prove  
I just wanna, I just wanna be right here  
But there's no other place I'd rather be  
I wanna be with you  
I just wanna, I just wanna be right here with you  
Right now like this  
I just wanna be right here with you  
Right now like this  
I just wanna, I just wanna be right here

Life used to be hallow  
Before I meet you  
Now you fill me  
So I ain't worried about tomorrow  
I'm already living out my future fantasy  
And my heart can follow  
Exactly what it feels like  
There's a lot of things we don't know  
But I'm sure there's no other place I'd rather be

I don't wanna go  
No. I don't wanna leave  
I just wanna, I just wanna be right here  
There's nothing in this world  
No face I'd rather see  
I just wanna, I just wanna be right here

There's a million things  
That I could do or say to prove  
I just wanna, I just wanna be right here  
But there's no other place I'd rather be  
I wanna be with you  
I just wanna, I just wanna be right here with you  
Right now like this  
I just wanna, I just wanna be right here with you  
Right now like this  
I just wanna, I just wanna be right here

Just say you feel me, we're where we wanna be  
(I just wanna, I just wanna be right here)  
If you wondered now it's plain to see  
(I just wanna, I just wanna be right here)

Every moment isn't meant to last  
Let's savor this before it's passed  
(I just wanna, I just wanna be right here)

Baby I don't wanna go  
I don't wanna leave  
I just wanna, I just wanna be right here  
Here with you  
I just wanna, I just wanna be right here  
Here with you  
I just wanna, I just wanna be right here  
Right here...
