

Rocky Mountain Way

Godsmack

Spent the last year
Rocky Mountain Way
I Couldn't get much higher
'n Out to pasture
Think it's safe to say
Time to open fire
And I don't need the ladies
Crying 'cuz the story's sad, uh huh
Rocky Mountain Way
Is better than the way we had
yeah yeah yeah
Well you're tellin' me this
And you're tellin' me that
Change it up every day
You say it doesn't matter
My .38's loaded and I'm gonna crack
I'm taking out everything
Time to change the past yeah yeah
And I don't need the ladies
Crying 'cuz the story's sad, uh huh
Rocky Mountain Way
Is better than the way we had
Better than the way we had
And I don't need the ladies
Crying 'cuz the story's sad, yeah yeah
Rocky Mountain way is better than the way we had
Better than the way we had
Yeah!
