

Leather

Golden Earring

Love at first sight, lasts all night
Baby from the moment you open my fly
It's been alright, for my gesundheit
And baby from the moment you cross my eye
Here it comes, here it comes
I don't know where to go, it's a sadomasochism

Sharper than a razor she hurts me with a laser-beam
Medieval server, she do me no favour in between
She stole, she stole my hard-earned money

I got the straps on, you're having your fun
Baby from the moment you beat my drum
It's been alright, for my gesundheit
Baby from the moment you open my eye
Here it comes, here it comes
I don't know where to go, it's a sadomasochism

Sharper than a razor she hurts me with a laser-beam
Medieval server, she do me no favour in between
She stole, she stole my dignity

Burnin' leather, keeps her together
Burnin' leather, keeps her together
Burnin' leather, keeps her together
Burnin' leather, keeps her together
