I've been drivin' all night,
My hand's wet on the wheel
There's a voice in my head
That drives my heel
It's my baby callin',
Says: I need you here
And it's a half past four
And I'm shifting gear

When she is lonely
And the longing gets too much
She sends a cable
Coming in from above
Don't need a phone at all

We've got a thing that's called Radar Love We've got a wave in the air, Radar Love

The radio's playing some forgotten song Brenda Lee's "Coming On Strong" The road has got me hypnotized And I'm speeding into a new sunrise

When I get lonely,
And I'm sure I've had enough
She sends her comfort,
Comin' in from above
Don't need a letter at all

We've got a thing that's called Radar Love We've got a line in the sky, Radar Love

No more speed, I'm almost there Gotta keep cool now, gotta take care Last car to pass, here I go And the line of cars drove down real slow

And the radio played that forgotten song Brenda Lee's "Coming On Strong" And the newsman sang his same song One more radar love is gone

When I get lonely and I'm sure I've had enough She sends her comfort, coming in from above We don't need no letter at all

We've got a thing that's called Radar Love We've got a line in the sky
We've got a thing that's called Radar Love
We've got a thing that's called,
Radar Love
