When the lady smiles, You know it drives me wild Her lips are warm and resourceful When her fingertips, Go drawing circles in the night Then the mood is soft and sensual, hu-u And I love it, yeah I love it It's the answer to all my dreams Every time it feels like the earth is shakin' It doesn't matter, a glass is fallin', I hear it shatter, Maybe it's raining, faster and faster, shadow dancin' Together oh I, I'm a bettin' on the game of love Oh oh oh I, I'm bettin' that love is gonna come out When the walls no longer shout, back at me And I'm feelin' proud

When the lady smiles,
She holds me in her hand
As a matter of fact,
She could always let me down
But when the lady smiles,
I can't resist her call
As a matter of fact,
I don't resist at all
'cos I'm walking on clouds
And she is leadin' the way
