

## Deep Honey

Goldfrapp

Your wild lies  
Always start with wide  
White lines  
Summer shine

Your wild lies  
Always start with wide  
White lines  
Summer shine

You don't like the dark  
Fringed by silver sea  
Always brave and pert  
Sunday sun, you're up

Keep don't stop now  
Me and you

Your wild lies  
Always start with me  
Don't come

You don't like the dark  
Tears start  
You don't like this star  
Tears start  
Sunday sun, you're up
