

## Deer Stop

Goldfrapp

And I long to go  
Love started here  
Shoot your star  
Be a light  
Is that

Don't you call  
Deer stop bottle in a shell  
Shoot a thousand stars over me  
Love to come home  
You've arrested a knight

Say my name  
Whisper it, don't ever turn  
I'm deliciously wired  
I'm falling in a cloud

Deer stop bottle in a shell  
Shoot a thousand stars over  
Say my name  
Whisper it
