

## Before It's Too Late

Goo Goo Dolls

I wondered through fiction to look for the truth  
Buried beneath all the lies  
And I stood at a distance  
To feel who you are  
Hiding myself in your eyes

And hold on before it's too late  
Until we leave this behind  
Don't fall just be who you are  
It's all that we need in our lives

And the risk that might break you  
Is the one that would save  
A life you don't live is still lost  
So stand on the edge with me  
Hold back your fear and see  
Nothing is real til it's gone

And hold on before its too late  
Until we leave this behind  
Don't fall just be who you are  
It's all that we need in our lives

So live like you mean it  
Love til you feel it  
It's all that we need in our lives  
So stand on the edge with me  
Hold back your fear and see  
Nothing is real til it's gone

Hold on before its too late  
Until we leave this behind  
Don't fall just be who you are  
It's all that we need in our lives

Hold on before its too late  
Until we leave this behind  
Don't fall just be who you are  
It's all that we need in our lives

It's all that we need in our lives  
It's all that I need in my life
