

1. Could you whisper in my ear
The things you wanna feel
I'd give you anythin'
To feel it comin'
Do you wake up on your own
And wonder where you are?
You live with all your faults

I wanna wake up where you are

I won't say anything at all
So why don't you slide
Yeah, I'm gonna let it slide

2. Don't you love the life you killed?
The priest is on the phone
Your father hit the wall
Your ma disowned you
Don't supposed I'll ever know
What it means to be a man
It's somethin' I can't change
I'll live around it

I wanna wake up where you are

I won't say anything at all
So why don't you slide
Ooh, slide

R: And I'll do anything
You ever dreamed to be complete
Little pieces of the nothin that fall
Oh, May
Put your arms around me
What you feel is what you are
And what you are is beautiful
Oh, May
Do you wanna get married
Or run away?
