## **Sympathy**

## Goo Goo Dolls

Stranger than your sympathy And this is my apology I've been killing myself from the inside out And all my fears have pushed you out

I wish for things that I don't need All I wanted And what I chase won't set me free It's all I wanted And I get scared but I'm not crawling on my knees

Oh yeah everything's all wrong yeah Everything's all wrong yeah

Stranger than your sympathy I take these things so I don't feel And all these thoughts from the inside out Now my head's been filled with doubt

It's hard to lead the life you choose All I wanted When all your luck's run out on you All I wanted And you can't see when all your dreams are coming true

Oh yeah it's easy to forget yeah And you choke on the regrets yeah

Stranger than your sympathy All these thoughts you stole from me I'm not sure where I belong Nowhere's home and I'm all wrong

And I wasn't all the things I tried to make believe I was And I wouldn't be the one to kneel Before the dreams I wanted And all the talk and all the lies Were all the empty things disguised as me Yeah Stranger than your sympathy
