Goo Goo Dolls

1. Up yours stop your whinin'
Feeling swell I'm doing fine

R: Fuck your suicide its all bull shit cuz I tried
And it really dont impress me all that much

2. Up yours what d'you find
Sit right down I got time

R: And you say there comes the end and you haven't got a friend
And I'm standing here just screamin at the wall

3. Up yours stop your whinin'
What have you got I got mine

4. And you shake your stupid head and you wish that you were dead
But I swear sometimes your happier then me

*: And you know its hard to be
All the things you want me to be
And then you go and make it hard on me
But I swear that
Anything you could be I could be can't you see

5. Up yours got no mind
That's too bad, you got time

R: And you say...
