East Coast Anthem

Good Charlotte

Walkin' on the streets of DC on the East Coast - where I live you say "what's the problem?" "what's with this angry kid?" You don't like the way I walk or the way I talk, or the way I swing my hands, you don't like the words I speak, or the thoughts I think and I know you'll never understand. You know, on the East Coast we ride until we die vou know well there's a place inside my mind, yeah a place you'll never find there's a place inside my mind walk this way you know. And wouldn't it be perfect if I could sit with you? and we would change a thing or two? we'd change a thing or two? we would change the way you think we would change the way I think

we can't change the way i think we can't change the way they think so we're not changin' anything you know

On the East Coast we ride until we die you know well there's a place inside my mind, yeah a place you'll never find there's a place inside my mind we leave today you know

'Cause on the east coast, we ride until the day we die

Well there's a place inside my mind yeah a place you'll never find there's a place inside my mind walk this way there's a place inside my mind yeah a place you'll never find there's a place inside my mind we leave today you know
