

# Harlow's Song (Can't Dream Without You)

Good Charlotte

I can't dream without you

When you close your eyes and go to sleep tonight  
I'll be right outside your door  
Dreams will come and they'll take you away  
Let them bring you back to me

And tomorrow when you wake I'll be next to you  
The protection from the day  
When the tears fall down your face like morning dew  
I'll be there to put a smile on your face  
And I'll say

I don't wanna live this life without you  
I don't wanna spend the night without you  
I don't wanna know what it's like  
I can't dream without you  
I can't dream without you

Let your fire burn bright for the world to see  
You are the better part of me  
When you hold my hand I swear that I believe  
I'm living in my wildest dreams  
And I see

I don't wanna live this life without you  
I don't wanna spend the night without you  
I don't wanna know what it's like  
I can't dream without you

Flowers for your hair  
Rainbows for your eyes to see  
Your dreams are everywhere  
To carry you away from me  
Away from me someday  
Away from me someday

I don't wanna live this life without you  
I don't wanna spend the night without you  
I don't wanna know what it's like  
I can't dream without you

I don't wanna live this life without you  
I don't wanna spend the night without you  
I don't wanna know what it's like  
I can't dream without you
