

Calling Me Names

Good Old War

You should blame yourself
You and no one else
You can say you're not
But you were guilty as well

Instead of making sense
And talking like we're friends
You think it's a better idea
Calling, calling

Calling me names
Don't think it's gonna change me
Calling me names
Calling, calling

Calling me names
Don't think it's ever gonna change me
Calling me names
Calling, calling me names

The nights you talk about
I always forget
Something I did or something I should not have said
And when I think we're good
It happens again
You think it's a better idea
Calling, calling

Calling me names
Don't think it's gonna change me
Calling me names
Calling, calling

Calling me names
Don't think it's ever gonna change me
Calling me names
Calling, calling me names

You should blame yourself
You and no one else
You can say you're not
But you were guilty as well

Instead of making sense
And talking like we're friends
You think it's a better idea
Calling, calling

Calling me names
Don't think it's gonna change me
Calling me names
Calling, calling

Calling me names
Don't think it's ever gonna change me
Calling me names
Calling, calling

Calling me names
Don't think it's gonna change me
Calling me names
Calling, calling

Calling me names
Don't think it's ever gonna change me
Calling me names
Calling, calling me names
