Eversmile

Good Riddance

Remember when I saw you Sitting on the rocks yeah I didn't want to find out That there was nothing to do Out here with you So cold we're going to catch the flu Got the keys to your car Everything's so good so far So do you ever smite And will you stay awhile with me It's been about a week now It feels like a lifetime ago Have I begun to bore you Could you at least drop me off At the show
