

## Wherefore & Why

Gordon Lightfoot

When I woke this mornin', something inside of me  
Told me this would be my day  
I heard the mornin' train, I felt the wind change  
Too many times I'm on my way

Come on sunshine, what can you show me  
Where can you take me to make me understand  
The wind can shake me, brothers, forsake me  
The rain can touch me but can I touch the rain

Then I saw the sunrise above the cotton sky  
Like a candy cane delight  
I saw the milkman, I saw the business man  
I saw the only road in sight

Then I got to thinkin' what makes you want to go  
To know the wherefore and the why  
So many times now, oh Lord, I can't remember  
If it's September or July

Come on sunshine, what can you show me  
Where can you take me to make me understand  
The wind can shake me, brothers, forsake me  
The rain can touch me but can I touch the rain

Then all at once it came to me, I saw the wherefore  
And you can see it if you try  
It's in the sun above, it's in the one you love  
You'll never know the reason why

Come on sunshine, what can you show me  
Where can you take me to make me understand  
The wind can shake me, brothers, forsake me  
The rain can touch me but can I touch the rain  
So much to lose, so much to gain
