

When Love Rages Wild In My Heart

Gorgoroth

And you thought of me when you were strong
and I think of me when love rages wild in my heart
and you thought of me when something good is to stop
and you thought of me when noone is to sick

I do not lie bleeding to death
Under the wonderfull moon
I do not lie bleeding to death
Under the wonderfull moons light

Deep in side satan
Deep in side satan
Deep in side satan
Deep in side satan
Deep in side satan
