

Echo

Gorilla Zoe

E-echo
You did it to yourself
Now your all by your self
Acting like you hate me
I left because you made me
You played me to the left
Now there's nobody left
To hear your complaining I'm gone and all you hear is your own

Echo
E-echo
And I'm gone
And your all alone
Cant you hear the (hear the)
Echo
E-echo
No one to hear you
There's nobody near you (near you)

It started off great
But who was to know
That love is lost
Cannot be let go
You say it's my fault
OK then I'll go
It's better to know
Now there's nobody to argue with
Cause I'm not home
Don't care who your with
Don't call my phone
Or did you forget
You know your wrong
I'm gone (gone)
And your all alone hearing your own damn

Echo
E-echo
And I'm gone
And your all alone
Cant you hear the (hear the)
Echo
E-echo
Nobody near you
There's no one to hear you

Disgusted with trust
I'll trust no one no more
Just went with the flow
Found myself on the floor
When you went away
All my pain went astray
Like it's a new day
Now I have no one to argue with
Cause I'm not home
Don't care who your with
Don't call my phone
Or did you forget

You know your wrong
I'm gone
And your all alone
Hearing your own damn

Echo
Your own damn
E-echo
No one is near you
No one can hear you
It's your own damn
Echo
E-echo
No one to hear you
There's nobody near you

All night long
I thought to my self
Why would I stay with you (with you)
Realized that you were the one who had issues
So why would I miss you

...to argue with
Cause I'm not home
Don't care who your with
Don't call my phone
Or did you forget
You know your wrong
I'm gone
And your all alone
Hearing your own damn echo
It's just you and your
E-echo
It's just your and your
I hope your talking alone
It's just you and your
Echo!
It's just you and your
E-echo
There's no one to hear you
There's nobody near you
It's your own damn
Echo
Your own damn
E-echo
Echo
E-e-echo
Echo
E-echo
E-e-echo

To argue with
Cause I'm not home
Don't care who your with
Don't call my phone
Or did you forget
You know your wrong
I'm gone.
