

# What's Goin On

Gorilla Zoe

I am Atlanta, no one above  
I sup bubbly, my whip lovely  
My wrist icy, chunky, crystal  
Haters, say fuck 'em  
Their bitches love me  
Black and red, A-town vowels  
AR-15, my hometown  
Straight [?], shorty  
Need no soda, when I say soda  
Not talkin' cola  
My neck is polar  
I'm gone, solar  
We're going on  
I'm trying to tell you  
On tour

What goin 'on (what's goin' on?)  
What goin' on (what's goin' on?)  
I'm in that Chevy that cost way more than your home  
What's goin' on? (what's goin' on?)  
What's goin' on? (I'm puttin' on)  
What's goin on?  
We in the building, ay you know what's goin' on  
What goin' on (what's goin' on?)  
What goin' on (what's goin' on?)  
Two bitches with me, and they pretty so it's on  
What goin 'on (what's goin' on?)

If I'm on in the city, then you know I'm goin' on

Yeah that's the motto  
If you gon' suck me  
Bitch you must swallow  
That AK shoot hollows  
Hard shell, no tacos  
Gorilla's the game now  
Just call me Capo  
Wells Fargo, I got dinero  
Now everywhere I go  
Is Georgia lotto  
Pino Grigio, Merlot, Moscato  
Drinking with my pull  
Before I get the cargo
