

# Out Here in the Cold

Gotye

Darlin' don't leave me out here in the cold  
I'm begging you baby don't leave me out here on my own

I'll die,  
If you don't hold me tight  
Tonight,  
I couldn't make it outside  
If I tried,  
So please let me in lover,  
Be kind

Darlin' don't desert me in here it's so dark  
Don't leave me here darlin' don't you know I can't stand to part

Oh but I'll stay,  
If you promise to keep me safe,  
I can't make it alone,  
I'm afraid,  
Oh my angel just don't go away

Please, don't leave me out here in the cold  
No, no please don't leave me out here on my own
