

# There's Only One

Graham Nash

We can heed the call  
We can trip and fall  
We can read the scrawl on the garden wall  
Let the ashes fall  
Upon us all or not at all  
It's in us all

Can we say it's cool  
From a heated pool  
When we give a jewel to a starving fool  
And if we can't be cruel  
Then let us take the tool  
And change the rule, change the rule

When we've all begun to see the world we're on  
Don't you see there's only one  
Then we'll all begin to see the skin we're in  
It's just the same  
There's only one  
There's only one

Do we have the grace to begin the race  
In another place  
Face to face  
Do we stand the pace or do we let the case go to  
Waste, got to waste, go to waste  
Do you like the taste
