

# Anything For A Laugh

Graham Parker

I walk along a lonely path  
Spotlight in my eye  
Try to make the people laugh  
Instead of cry

I hang myself out on the edge  
For the world to see  
Let them know this funny guy  
Is really me

And anything for a good time  
I've always taken that path  
Anything for a good time  
Anything for a laugh

I ride the Greyhounds across the state  
A show in every town  
I'm not that bad, I'm not that great  
I'm just your average clown

People think that's my nature  
That's how I want to be  
But I wonder if it's just a  
Shield in front of me

And anything for a good time  
I've always taken that path  
Anything for a good time  
Anything for a laugh

So take a seat there's plenty spare  
Fill a gaping hole  
That's what I do every night  
Somewhere in my soul

And anything for a good time  
I've always taken that path  
Anything for a good time  
Anything for a laugh
