

The Kid With The Butterfly Net

Graham Parker

G c g c g

She walks through the field, walks in the heat through the field

G c g c d

She swings with her arm, but can what she catches be real

Emc emc

And when you look into her eyes, you see what you want

Cbm c bm c d

When everything was undone, every field was open nothing was impossible yet

For the kid with the butterfly net the kid with the butterfly net. (intro once)

There's a stream runs through this land runs through the heart of this land

There's a heart beats in this home beats in the heart of this home

And when you see her by the water you see what you want to

And all the chains around you cannot keep you prisoner they haven't been made yet

For the kid with the butterfly net the kid with the butterfly net. (intro)

Em c em c

And when you close your eyes you don't see a thing

Emc c d

You just remember that you were meant to have wings

She runs through the field runs through the grass in the field

She swings with her arm but can what she catches be real

And when you look into her eyes you see what what you want to

Cbmc bm

And all the darkness in you flies out through the window

All the sunlight outside burns down inside you

All the chains around you could not keep you prisoner
