

# Don't Lie to Me

Grand Funk Railroad

Well there was something said  
And my face turned red  
I didn't believe it  
But now we're laying here in bed  
And there's something wrong  
Honey, it's way too strong  
Boy, better ignore it  
We've been together for so long

Don't lie to me  
Oh, baby please  
Don't lie to me  
I said baby please  
Don't lie to me  
Oh, baby please  
Don't lie to me  
Oh, don't you lie to me now

Babe, it's time to sacrifice  
'Cause I've heard it twice  
I should've believed it  
When I heard it from the guys  
That you was out all night  
And it wasn't right  
The very next mornin'  
You told me everything's alright

But, don't lie to me  
I said baby please  
Don't lie to me  
Oh, baby please  
Don't lie to me  
I said baby please  
Don't lie to me  
Ohh, don't lie to me  
Now girl, don't lie to me

Well, don't lie to me  
I said baby please  
Don't lie to me  
Oh, baby please  
Don't lie to me  
I said baby please  
Don't lie to me  
Girl, don't you lie to me  
Never lie, don't you lie to me  
Hey, please, don't you lie to me, now

I know what you're tryin'  
Better stop your cryin'  
You better cut it out  
'Cause you're gonna be cryin' to me, now  
Babe, don't cry to me  
Oh, girl, girl, don't you lie to me  
Well, don't you lie to me, now  
Babe, don't lie to me  
Girl, don't you lie to me

Don't you lie to me...
