

We're an American Band

Grand Funk Railroad

Out on the road for forty days
Last night in Little Rock put me in a haze
sweet sweet Connie doing her act
See had the whole show and that's a natural fact!
Playin all night with Freddie King
I got to tell you that poker's his thing
Booze and ladies keep me right
As long as we can make it to the show tonight

We're an American Band
We're an American Band
We come into your town
We'll help you party it down
We're an American Band

Four young chiquitas in Omaha
Waiting for the band to return from the show
Feelin' good feelin' right it's Saturday night
The hotel detective he was out of sight

Now these fine ladies they had a plan
They was out to meet the boys in the band
They said, "Come on dudes lets get it on"
An we proceeded to tear that hotel down

We're an American Band
We're an American Band
We come into your town
We'll help you party it down
We're an American Band (2x)
